Proceedings Format for Yamabico Symposium

Taro YAMABICO (4th Year of the Bachelor's Program)^{‡1}

Intelligent Robotics Research Lab, TBU Group

Keywords: AAA, BBB, CCC

1. Introduction

The Yamabico Symposium prepares unpublished proceedings for internal use. Authors are required to prepare manuscript drafts ranging from 2 to 8 pages on A4-sized paper.

2. Related Work

Important: Student presenters must include a section on related work and cite references within the main text.

Example: This paper was inspired by references [1,2].

3. Manuscript Style

When preparing manuscripts, please adhere to the following guidelines:

- Use A4 paper size, with margins of 20 mm on all sides. (Centered alignment for both even and odd pages)
- Do not include page numbers in the submitted manuscript; they will be added during the binding process.
- On the top right corner of the first page, include "2024 Yamabico Symposium [2024/08/08–08/10 Onsite Event]".

4. Writing Papers with IAT_EX $2_{\mathcal{E}}$

We recommend using the LATEX 2ε class file jsproceedings.cls [3] designed for academic conferences. For detailed usage, refer to [3].

When writing paper titles, please use the custom commands defined in jsproceedings.cls:

- \title{} command: Japanese title
- \author{} command: Japanese author name
- \authorrefmark{} command: Japanese author affiliation mark
- \etitle{} command: English title
- \eauthor{} command: English author name
- \eauthorrefmark{} command: English author affiliation mark
- \affiliation{} command: Laboratory affiliation, etc.
- \abstract{} command: Abstract
- \keywords{} command: Keywords
- \authorreftext{}{} command: Japanese author affiliation name

• \eauthorreftext{}{} command: English author affiliation name

5. Submission Instructions and Deadline

Please upload your manuscript via the online submission page.

2024 Yamabico Symposium Submission Page

http://www.roboken.iit.tsukuba.ac.jp/event/
Sympo/24-1/

The deadline for manuscript submission is August 1st, 2024 (Thursday).

Please ensure timely submission, as printing will commence immediately after the deadline.

6. 2024 Yamabico Symposium Details

1) Date August 8th 20

August 8th, 2024 (Thursday) to August 10th, 2024 (Saturday)

2) Location

Open Lecture Room 0110, 1st Floor, Research Building B, University of Tsukuba

1-1-1 Tennodai, Tsukuba, Ibaraki 305-0006, Japan

- Participation Fee Free of charge
- Presentation Time and Number of Presentations (Estimated)

Each presentation is allotted approximately 15 to 30 minutes. Around 60 presentations are scheduled.

5) Program

Details will be provided once participants are confirmed. A social event will be held during the symposium.
